EXPERIENCE

- 2009 **Boston University – Boston, MA**
As a teachers assistant to professor Peter Smith, I helped with teaching multi-media and web skills to students both in and out of class as well as maintained a presence for student support with classwork during the term.
- 2008 **Front Gate Solutions – Austin, TX**
Worked as a graphic designer for the Austin, Texas based ticketing agency on weekly newspaper advertisements and miscellaneous web design for a variety of clients in the entertainment industry.
- 2007 **The Skanner – Portland, OR**
Filled in for the art director of a local weekly newspaper to continue the production cycle while he was on vacation. Duties included typesetting the 16-page tabloid, filling in ad spaces and updating the website with each weeks content.
- 2007 **Kinko's – Portland, OR**
As a production operator, my job was to maintain the workload of incoming jobs as well as the quality of the printer output. I would also work in the self-service area to assist customers with their copying and printing needs.
- 2005 - 2009 **Freelance – Telecommuting**
I've been doing freelance design work for four years, working primarily for local businesses in need of short-term contracts.
